

Swim Test Rules

Any person under the age of 12 must take the swim test to swim independently of their parents.

If a child cannot pass the swim test they must be within 5ft of their parent or guardian at all times.

To pass the swim test a child must swim 25 meters on their front, tread water for 1 minute and show they can successfully float on their back.

All patrons under 12 **MUST** pass the swim test to use the slides or diving board.

Patrons can ask any lifeguard to give them the swim test and they will direct you where to go for the test.
